FOR IMMEDIATE RELEASE

Dominica Revises COVID-19 Country Risk Classification

Roseau, Dominica – (February 10, 2021), The Government of Dominica has taken the responsible decision to revise the COVID-19 country risk classifications for travel based on changes in the number of COVID-19 cases in neighbouring countries.

Effective February 7, 2021, Antigua and Barbuda has been reclassified to the HIGH-RISK classification. Travellers from Antigua and Barbuda to Dominica must submit the online health [screening form](#) and submit a negative PCR test where swabs were taken within 24-72 hours of arrival into Dominica. Upon exiting the port of entry, travellers will submit to a quarantine period of up to 7 days where a PCR test is taken on day 5 after arrival and results are expected within 24-48 hours. Travellers must submit themselves to mandatory quarantine and may opt to quarantine at the government operated facility or at a Safe in Nature certified property under a 'Managed Experience'.

The Safe in Nature Commitment and Managed Experiences are available to all visitors, including guests from high risk classified countries visiting Dominica. More information about the Safe in Nature Commitment and Managed Experiences and a complete listing of the risk classification of countries is available at <https://discoverdominica.com/travel-advisory-for-dominica>.

Discover Dominica Authority continues to work with health officials to ensure the safety and security of visitors to the island, and with tourism stakeholders to ensure a unique managed experience in a responsible manner.

###

About Dominica: Dominica (*pronounced Dom-in-EEK-a, and not to be confused with the Dominican Republic*) is a haven for adventure travelers seeking a unique vacation that includes: hiking and adventure, cultural events/festivals, diving and water sports, whale/dolphin watching and canyoning adventures. Dominica lies south of Guadeloupe and north of Martinique in the Eastern Caribbean. Air travelers can connect to Dominica on Air Antilles, Air Sunshine, Coastal Air Transport, interCaribbean Airways, LIAT, Caribbean Airlines, Seaborne Airlines, or WINAIR from the surrounding hubs of Antigua, Barbados, Guadeloupe, Puerto Rico, St. Maarten, St Lucia, the British Virgin Islands and the U.S. Virgin Islands. If travelling by sea, travelers can connect to Dominica on L'Express Des Iles ferry service from Guadeloupe, Martinique, and St. Lucia and on Val Ferry from Guadeloupe and Martinique.
